National Arena League (London) Premier Division, Round 1 - Saturday 10th October

Basildon & Phoenix SC had a successful first outing in the Premier Division of the London Arena League. Having gained promotion in two successive seasons, from Division 2 to Division 1 and then to the Premier Division, the challenge was always going to be tougher. With the other clubs being bigger outfits and more established, BPSC still held their own against strong opposition at The Leisurezone in Harlow.

The BPSC swimmers had 21 top 3 finishes (1st 4 / 2nd 4 / 3rd 13) in the 50 event competition to round off the evening in a very creditable 4th place with a total of 249 points, just 6 points adrift of 3rd place Teddington.
