

Club Record Update

January 2017

Straight into 2017 and the first serious competition of the year.

Course	Date	Meet	Location
LC	20-22 Jan 2017	Essex Age Group Championships 2017 – Weekend 1	BSV

The Stats

It usually follows that the higher the level of competition, the greater the performance needed to secure the honours. It also means that a high percentage of swimmers are going to swim faster than they have ever done before. So congratulations to all of the swimmers who have achieved PB's, medals and records in the first weekend of Essex Counties

A total of 25 new Long Course Age group records. Of the 25 new records, 6 were new overall age group records, and 3 were new overall LC club.

Congratulations to the swimmers that have broken overall Male/Female BPSC club records.

- **Vejune Petraityte** – Setting a new Overall club long course record for 200m Breast Stroke, a record set by Ellie Wheeler in February 2016.
- **Ellie Wheeler** – Setting new overall Long course records for 800m FC and 400m IM. Both records were held by Kathryn Pearse since December 2010.

Congratulations to **Jack Turrell** for entering the BPSC record books for the first time in the Boys 13yr Age group.

Below is a table of all of the long standing club records broken between 1st January 2017 and 22nd January 2017.
