Essex County Age Group Championships – Block A

20th, 21st, 22nd January. Basildon Pool

The club & swimmers began their quest to retain the title as the top club in Essex at the 2017 County Championships in fine style with a huge points tally of 732 with Romford and Colchester battling it out for 2nd place with 359 and 339 points respectively. With a huge number of personal best times and an equally impressive medal haul the club were also in fine voice giving support to their team mates throughout the gruelling weekend of racing as they stormed into an early lead in the Top Club points. Along with the Top Club points the swimmers are also vying for top male and female swimmers in each age category (10/11yrs, then individual ages up to 17yrs and finally 18yrs and over).
